**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS
FOR THE SHAREHOLDER MEETING TO BE HELD ON AUGUST 2, 2017.**

Copies of the Proxy Statement, Form of Proxy and our Annual Report to Shareholders are available at the home page of our website, www.hmgcourtland.com.

IMPORTANT VOTING INFORMATION

If you hold your shares through a broker, bank or other financial institution, the U.S. Securities and Exchange Commission (“SEC”) has approved a New York Stock Exchange rule that changes the manner in which your vote in the election of directors will be handled at our upcoming 2017 annual meeting of shareholders.

Shareholders who hold Company shares through a broker, bank or other financial institution receive proxy materials and a voting instruction form before each shareholder meeting. In the past, if you did not transmit your voting instructions before the shareholder meeting, your broker was allowed to vote on your behalf on the election of directors and other matters considered to be routine.

Rule for Shareholder Voting

Your broker is no longer permitted to vote on your behalf on the election of directors unless you provide specific instructions by completing and returning the voting instruction form. For your vote to be counted, you need to communicate your voting decisions to your broker, bank or other financial institution before the date of the shareholder meeting.

**PROXY STATEMENT
OF
HMG/COURTLAND PROPERTIES, INC.**

The accompanying proxy is solicited by the Board of Directors for use at the annual meeting of shareholders and is being mailed with this Proxy Statement to all shareholders on or about July 3, 2017. If a proxy card is properly signed and is not revoked by the shareholder, the shares of common stock of the Company (the "Shares") represented thereby will be voted at the meeting in accordance with the instructions, if any, of the shareholder. If no contrary instructions are given, they will be voted for the election of directors nominated by the Board of Directors and for approval of the renewal of the Advisory Agreement (the "Advisory Agreement") between the Company and HMGA, Inc. (the "Adviser"). Any shareholder may revoke his proxy at any time before it is voted by giving written notice of revocation to the Secretary of the Company.

Holders of Shares of record at the close of business on June 30, 2017 are entitled to notice of and to vote at the meeting. On that date, there were 1,002,392 Shares outstanding. Each Share is entitled to one vote on all business of the meeting. The holders of a majority of the outstanding Shares, present in person or represented by proxy, will constitute a quorum at the meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Abstentions are counted in tabulations of the votes cast on proposals presented to shareholders, whereas broker non-votes are not counted for purposes of determining whether a proposal has been approved.

As of June 30, 2017, Transco Realty Trust ("Transco") was the beneficial owner of 477,300 Shares, or 47% of the outstanding Shares. The Company has been advised by its officers and nominees for directors, and their affiliated shareholders, Transco, HMGA, Inc. and subsidiaries and T.G.I.F. Texas, Inc. ("T.G.I.F.") that they intend to vote for the election of each of the nominees and for the approval of the Advisory Agreement. Such shareholders own in the aggregate 592,967 Shares, or 58% of the outstanding Shares, therefore, the Company may be deemed a "controlled company." As a result, each of the nominees is expected to be elected as a director and the Advisory Agreement is expected to be approved. As noted below, a director of the Company is affiliated with principal shareholders of the Company and is a principal shareholder, director and officer of the Adviser. See "Election of Directors" below for information concerning holders who may be deemed to own beneficially more than 5% of the outstanding Shares.

ELECTION OF DIRECTORS

The entire Board of Directors will be elected at the annual meeting of shareholders to serve until the next annual meeting of shareholders and until the election and qualification of their successors. In the event any nominee should not continue to be available for election, proxies may be voted for the election of a substitute nominee or the Board of Directors may elect to reduce the number of directors. The Board of Directors has no reason to anticipate that any

nominee will not be available for election. All of the nominees have been elected previously by the shareholders.

An affirmative vote by the holders of a majority of the Shares present-in-person-or-by proxy at the annual meeting of shareholders is required for the election of each director.

Our Board of Directors unanimously recommends that the shareholders vote for the election of all four nominees for director.

Set forth below is certain information about each director, each nominee for director and the Shares held by all directors, executive officers and certain other shareholders.

Meetings of the Board of Directors

The Board of Directors held 4 meetings during 2016. During this period all of the directors of the Company attended at least 75% of the total number of meetings of the Board and any committee of which they were a member. The Board of Directors encourages director attendance at the Annual Meeting of the Shareholders. All of the members of the Board of Directors attended the 2016 Annual Meeting of the Shareholders.

Committees of the Board of Directors

The Board of Directors has an Audit Committee and a Stock Option Committee. The Company does not have a Compensation Committee. Messrs. Dusseau and R.Wiener serve as members of the Audit Committee. The Audit Committee met 4 times during 2016.

Messrs. R.Wiener, Dusseau and Arader serve as members of the Stock Option Committee. The committee is authorized to grant options to officers and key employees of the Company. The Stock Option Committee met one time during 2016.

Nominating Committee

The Board of Directors does not have a standing Nominating Committee due to the size of the Board; however, the Company's independent directors review and make recommendations to the Board regarding the size and composition of the Board, consider and recruit candidates for director nominees based upon recommendations from current outside directors, members of management, outside consultants or search firms, and shareholders; recommends on an annual basis a slate of director nominees for approval by the Board and the shareholders and reviews our committee structure and membership. The independent directors are Messrs. Arader, Dusseau and Richard N. Wiener.

All independent directors are "independent" directors as defined by the current NYSE Alternext US LLC Company Guide. The Company does not have a Nominating Committee charter.

In evaluating and determining whether to recommend a person as a candidate for election as a director, the independent directors' criteria reflects the requirements of the NYSE Alternext US LLC Company Guide rules with respect to independence and the following factors: the needs of the Company with respect to the particular talents and experience of its directors, personal and professional integrity of the candidate, level of education and/or business experience, broad-based business acumen, the level of understanding of the Company's business and the income-producing commercial properties industry, strategic thinking and a willingness to share ideas,

and diversity of experiences, expertise and background. These directors will use these and other criteria that they deem appropriate to evaluate potential nominees and will not evaluate proposed nominees differently depending upon who has made the recommendation.

The independent directors will consider proposed nominees whose names are submitted to them by shareholders. They have not adopted a formal process for that consideration because they believe that this informal consideration process will be adequate. The independent directors intend to review periodically whether a more formal policy should be adopted.

Any shareholder who desires to recommend a nominee for director must submit a letter, addressed to Secretary, HMG/Courtland Properties, Inc., 1870 South Bayshore Drive, Coconut Grove, Florida 33133, and which is clearly identified as a "Director Nominee Recommendation." All recommendation letters must identify the author as a shareholder and provide a brief summary of the candidate's qualifications, as well as contact information for both the candidate and the shareholder. Shareholders who wish to make a recommendation for a nominee to be elected at the Company's 2018 Annual Meeting must submit their recommendation by May 2, 2018, to allow for meaningful consideration and evaluation of the nominees by the independent directors.

Leadership Structure

Mr. Maurice Wiener, the Chief Executive Officer through most of the Company's history, is also the Chairman of the Board. The Board has concluded, in light of present circumstances, that this arrangement best suits the Company's needs because of Mr. Wiener's role as strategic visionary and significant shareholder of the Company.

REPORT OF THE AUDIT COMMITTEE

The primary purpose of the Audit Committee is to assist the Board of Directors in monitoring the integrity of our financial statements, our independent auditor's qualifications and independence, the performance of our independent auditors, and our compliance with legal and regulatory requirements. The Audit Committee was established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Board of Directors has determined that each member of the Audit Committee, Messrs. Dusseau and R. Wiener, is (1) an "audit committee financial expert," as that term is defined in Item 407(d)(5)(i) of Regulation S-K of the Exchange Act, and (2) "independent" as defined by the NYSE Alternext US LLC Company Guide and Section 10A(m)(3) of the Exchange Act. The committee operates pursuant to a charter that was last amended by the Board on June 16, 2003. The Audit Committee charter may be found on our website, www.hmgcourtland.com.

Management is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors for the Company's 2016 fiscal year, Cherry, Bekaert, L.L.P. ("CB"), were responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards.

In performing its oversight role, the Audit Committee has, among other things covered in its charter, reviewed and discussed the audited financial statements with management and the independent auditors. The committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as currently in effect. The committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No.1, *Independence Discussions with Audit Committees*, as currently in effect. The committee has also considered whether the provision of non-audit services by the independent auditors is compatible with maintaining the auditors' independence and has discussed with the auditors the auditors' independence.

Based on the reviews, reports and discussions described in this Report, and subject to the limitations on the role and responsibilities of the committee referred to in this Report and in the charter, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2016.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not necessarily experts in the fields of accounting or auditing, nor with respect to auditor independence. Members of the committee rely without independent verification on the information provided to them and on the representations made by management and the independent auditors. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations, efforts and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that CB is in fact "independent."

Members of the Audit Committee:
Charles M. Dusseau
Richard N. Wiener

INDEPENDENT PUBLIC ACCOUNTANTS

CB has been serving as our independent accountants. In performing its oversight role and as part of its regular process of recommending an independent auditor to the Board of Directors, the Audit Committee is in the process of reviewing whether to retain CB as our independent accounting firm for the 2017 fiscal year. Such review has not been completed and no recommendation has been made to the Board of Directors for the selection of the Company's independent auditors for 2017. A representative of CB is not expected to be present at the Annual Meeting. The Audit Committee pre-approved all services rendered to the Company by its independent accountants.

Stock Options. The Company's 2011 Stock Option Plan (the "Plan"), which was approved by the shareholders on August 25, 2011. The Plan provides for the grant of options to purchase up to 120,000 shares of the Company's common stock to the officers and directors of the Company. In 2016 options were granted to certain officers and directors to purchase an aggregate of 12,500 common shares at no less than 100% of the fair market value at the date of grant. Options are not transferrable and expire on August 25, 2021 or upon termination of employment, except to a limited extent in the event of retirement, disability or death of the grantee.

The Plan, which permits the grant of qualified and non-qualified options, and is intended to provide incentives to the directors and employees (the "employees") of the Company, as well as to enable the Company to obtain and retain the services of such employees. The Plan is administered by a Stock Option Committee (the "Committee") appointed by the Board of Directors. The Committee selects those key officers and employees of the Company to whom options for shares of common stock of the Company shall be granted. The Committee determines the purchase price of shares deliverable upon exercise of an option; such price may not, however, be less than 100% of the fair market value of a share on the date the option is granted. Payment of the purchase price may be made in cash or Company stock. Shares subject to an option may be purchased by the optionee within five years from the date of the grant of the option. However, options automatically terminate if the optionee's employment with the Company terminates other than by reason of death, disability or retirement. Further, if, within one year following exercise of any option, an optionee terminates his employment other than by reason of death, disability or retirement, the shares acquired upon exercise of such option must be sold to the Company at a price equal to the lesser of the purchase price of the shares or their fair market value.

Section 16(a) Beneficial Ownership Reporting Compliance. Section 16(a) of the Exchange Act requires the Company's directors and executive officers to file with the Securities and Exchange Commission initial reports of beneficial ownership and reports of change in beneficial ownership of the Company's Shares. Such officers and directors are required by SEC regulations to furnish to the Company copies of all Section 16(a) reports that they file. Based solely on a review of the copies of such forms furnished to the Company, or written

representations that no other reports were required, the Company believes that during 2016, its officers and directors complied with all applicable Section 16(a) filing requirements.

HOUSEHOLDING INFORMATION

The SEC adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement and annual report addressed to those shareholders. As indicated in the notice previously provided by the Company and these brokers to the Company's shareholders, a single proxy statement and annual report will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from an affected shareholder. Once you have received notice from the Company or your broker that it or they will

be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement or annual report, please contact the Company at the address or telephone number appearing on the first page of this proxy statement, directing your request to the attention of the Secretary, or notify your broker.
